**[Print this entire message and read it carefully before applying.]**

#### About the Brigade Program

If, as a quartetter, you are passionate, ambitious, fast learning, experienced and you yearn for a lot of good challenging quartetting with a network of solid, local, like-minded and accomplished guys, the Atlantic Harmony Brigade may be for you.

Over six hundred men throughout the Barbershop Harmony Society and from four countries have enjoyed these unique Brigade rallies; some have been attending the NCHB Rally for over 15 years. In the Mid-Atlantic District, the AHB has been an annual event since 2006, and it has been attended by over 180 wonderfully well-prepared participants from over 18 states! We are proud to have earned the support of the BHS and our District for this grass roots, quartet-oriented program. The AHB is an approved 501 (3) (c) not for profit subsidiary of the BHS.

#### What the Event Looks Like

This is an invitational weekend event of non-stop quartetting and quartet partner switching. Participants sing in hundreds of quartet combinations. Up to 124 men will arrive in Delaware, solidly prepared, knowing their part on twelve great songs. They'll be ready, willing, and able to spend the entire weekend formally and informally quartetting.

There are two rounds of adjudicated quartet competitions (with randomly selected quartet members and randomly selected songs out of the 12 provided). There is also a show open to the public. The cost for the weekend is all-inclusive, covering registration fees, hotel accommodations, meals, and all the learning materials.

The basic information is as follows:

- 1) The event takes place in Wilmington, DE, from 4:30 PM on Friday, August 20, 2010, to Sunday breakfast, August 22. The last “official event” is around midnight on Saturday, but almost everyone stays up late, quartetting into early Sunday morning. Sunday morning’s breakfast is part of the package and will leave you going with a glow!
- 2) The cost of the event is \$269 and includes a double occupancy room (Friday night and Saturday night), meals (Friday and Saturday dinner, Saturday and Sunday breakfast, Saturday night contest afterglow food and refreshment, all learning materials, and all registration fees. **Financial assistance and grants may be available. All requests are discreet and confidential. Contact Tom Anderson directly at [anderbanjo@yahoo.com](mailto:anderbanjo@yahoo.com)**
- 3) Everyone wishing to participate in the event will need to submit an application and a \$129 deposit. **Applications will be sent out by email, immediately to anyone who reconfirms his interest after reading this prospectus, according to the following directions:**
  - Participation is limited to 124 qualified men equally distributed among the four voice parts (31 men on each) on a “first to apply and qualify, first invited” basis, tiered as follows:
  - AHB Members and last year’s participants (who successfully completed their “stage pass”) are given priority early admittance if their application is received no later than January 30<sup>th</sup>.
  - First time guests must be sponsored by an AHB Member. Those who apply with the signature of a Sponsoring Member (a list of members can be found on our website under “About Us”) will be given advanced application review between Feb 1 and Feb 15.
  - Unsponsored applicants may submit an unsigned application. They will be assigned to a willing “Board Designated Sponsor”. These applications will be reviewed after Feb 15.

**All applications should be sent in right away to get the benefit of an early review.**

The final deadline for all applications is March 1. Learning materials will be issued to all approved invitees on or about April 15, giving everyone 16 weeks to master all 12 songs.

If the application is accepted, all applicants will receive additional event information, a fully interpreted high grade learning CD for their voice part, and the sheet music for the 12 songs that will be sung at the event. Deposits will be returned to those applicants who are not accepted or who are “wait listed”.

- 4) All participants will be required to learn their part on all 12 songs. Everyone is required to have his music and the interpretation completely memorized and be absolutely, unfailingly well prepared when arriving at the event. **THIS IS THE BINDING ETHIC OF THE BRIGADE.** Participants invest a good deal of time and effort to be completely prepared, knowing that everyone else who is participating will do so also.

- 5) In reviewing the applications, the invitation committee will be looking ideally for individuals with district (or comparable) quartet experience, special musical and performance experience, or a sponsor's reference to support the individual's ability to thoroughly learn 12 medium to highly challenging songs – cold – 100% on words, notes, interpretation.

### The Caveat

As you can see, **the Brigade is not for everyone**. This is an event for ambitious, highly motivated, reasonably experienced quartetters.

***While the Brigade is not for beginners, you don't need to be an International Champion either.*** The object of the brigade is to provide an exciting venue and a large network of strongly committed local singers and fertile ground for the development of high-level quartetting.

Some participants will be looking to form registered quartets. Others will be looking to fill existing quartet vacancies. Everyone will be there to have a great time singing great songs with solid singers! Your job will be to come so well prepared that everyone will be glad they sang with you. They'll be counting on you to make them look good. You can be sure they'll be prepared to do the same for you. They'll be counting on you to make the time they've invested in preparing worthwhile. There is no leaning whatsoever in this event. ***You should be the guy everyone was glad to sing with!***

Here's the typical schedule of activities:

If you have ever attended Harmony College, Harmony College East, or an International or District Convention where you have stayed up well beyond your bedtime singing with other guys for the fun of it, then you will be able to relate to the Brigade experience. The difference is – instead of trying to figure out what you all know, or what three of you know and one of you tries to “woodshed” your way through, you will have 12 great songs in common, and you will have a whole weekend to do it!

Finally – If you know someone who might be interested in the Brigade, send him to our website, or have him contact us at [info@atlanticharmonybrigade.com](mailto:info@atlanticharmonybrigade.com)
